

GIFU CAMPING

MONET'S POND IS REALLY LIKE THE PAINTING, "WATER LILIES" BY MONET. YOU CAN ALSO WATCH THE BIGGEST INFILTRATED WATER IN JAPAN!

Nothing but nature!!

We will have a camping in Gifu prefecture. The camping site is located in a forest. There is a river by our cottages.

We will go to the Monet's pond which recently becomes famous. It is really like the painting, "water lilies" by Monet. You can take good picture there.

We will also visit the biggest infiltrated water in Japan. A river flows under ground and the go up on the ground.

We will stay in clean cottages. We can enjoy cooking there. BBQ party at camping is really fun!

There is shower room in the camping site. Of course, there is futon mats there.
